THE UNIVERSITY OF NEBRASKA,  
PUBLISHER'S OFFICE,  
LINCOLN, NEB., March 15, 1900.

*To the Alumni of the University of Nebraska:*

Great care has been taken in the compiling of this list, and it is hoped that it may prove the means of keeping the alumni of this institution in touch with each other and with their *alma mater*. Most of the alumni have shown a decided interest in the matter and have responded promptly to the inquiries that were sent out. But some did not respond until a third or even a fourth notice was sent to them. It has been impossible even with the utmost diligence to locate a few. Any information concerning these people will be thankfully received.
